**neax3** (1 hour ago)

God WOW people stop hating, get a life, and watch videos you acctually enjoy.....

**ServantofGod3** (2 hours ago)

What you have to do to be saved is believe...believe on the Lord Jesus Christ, meaning rely on Jesus, "believe on" in the original greek text means to entrust, not only believe in him, put all your faith and trust on him alone to get you to heaven, if youre relying on yourself to get to heaven, you're going to fail and end up in hell. Anyone who isn't born again/saved will NOT enter heaven (Jesus said that himself in John 3:3).

**ServantofGod3** (2 hours ago)

The bible says we've all sinned and come short of the glory of God (Romans 3:23), and that we deserve to be sent to hell for our sins against God. Only by what Jesus Christ did on the cross, by dying for our sins in our place and rising again on the third day can you be saved, not by your own works. Salvation is a free gift from God, all you have to do to receive it is believe, believe on the Lord Jesus Christ and thou shalt be saved (Acts 16:30-31, John 3:36 etc.).

**eric78634** (2 hours ago)

**CowFever** (1 day ago)

Miley Cyrus is in a new TV show this spring on ABC entitled "Let's Hunt and Kill Billy Ray Cyrus' daughter." So y'all be tuning in? Cool, cool. A fairly self-explanatory plot... Each week we let the hounds of Hell loose and chase that jar-head, no-talent, cracker cunt across the globe until we finally catch that fruity ponytail of hers... put a shotgun in her mouth like a big black cock of death and ... BANG! !! Then we return to partying in the USA...RIP Bill Hicks

**Ashmista** (16 hours ago)

You're teh stupid one because you can't spell. Retard →. So what IF I or anyone else on here doesn't have a great voice I bet you don't?! But that's not the point there are artists out there who are so much better than her. The only reason it has so many views is because its all little girls watching it or fat teenage girls who think she is an idol and teenage guys perving over her which I must

admit she is pretty hot, just grow up and get over yourself.

**Ashmista** (16 hours ago)

And if you're about to use the comment " if you hate her why are you commenting on her video or watching it, I'm watching it cos my sister is next to me and put it on her laptop, I decided to take over and scroll down and read youre retarded post :)

**Laneh** (1 day ago)

Guys, calm down. She's marketed towards small children - 11-14 year olds. When I was eleven, there was nothing like this for my demographic, it was either gangsta rap or nu-metal, neither of which is really suitable for a preteen. She has her audience, and if I had a daughter, I would MUCH rather she listen to this than Lady Gaga or Katy Perry or Rhianna.

Do you want real love, perfect and pure love. It is all around you, you breathe in Love every day, How does the world stay so perfectly in motion that we can even stand without falling over, the sun is 400 times bigger than the earth, but, the moon is 400 times closer than the sun, and in a eclipse, the moon, perfectly covers the sun and completly blocks it for a moment. God exists I have proof, click my name and view favorites. Don't let people tell you what you should think do it for yourself.

whats with the fake crying weirdo "sad" girls-seriously, its so obvious they are like forcing tears out! Quite funny actually-good song but god, shes a pop star, why not invest in better actors-or a better video at that! Also, talk about lip synching! Soo badly! How can she hate and love the same thing? Confusing a bit! and at the beginning, whats with the "shuh's" Oh well, god this song is in my head now! grrrrr miley's songs always do that! like her outfit-whats with the actors teddys? random!
